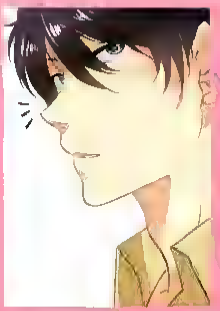
My Pre-Wedding

ANNISA NISFIHANI

Chapter 1 – Getting Closer

Reading Direction: Left –> Right

On Tuesday..
He.. comes again, having succeeded making a ruckus in the whole office yesterday..



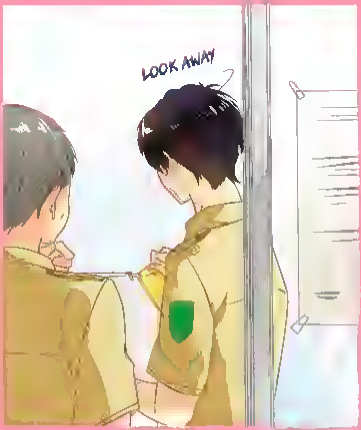
His name is Adimas Purnama.

As far as I know, he is the new secretary from another district office, he replaced the old secretary who retired.

He is also pretty popular, because well, he is young, already have a refined position in the job, and...

(cough)

Pretty handsome...



I still couldn't believe it
that he comes up to me and proposed out
of nowhere in front of everyone..

Please marry me..

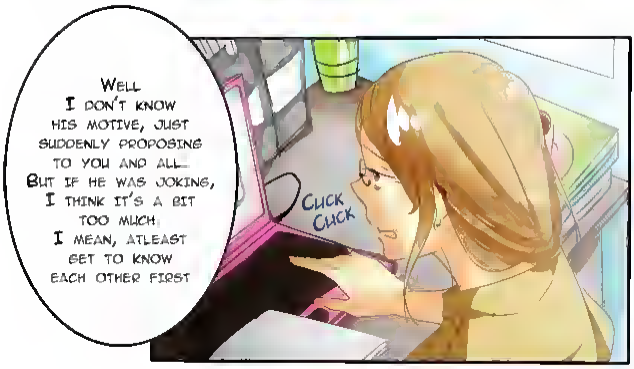
Marry me..

Me..

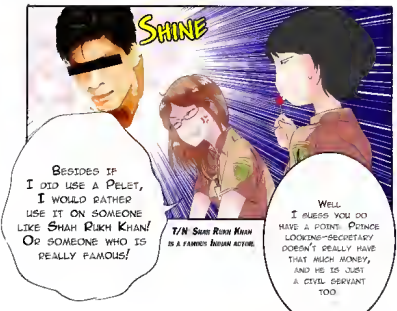
His voice is still
echoing in my head..

After that he went back to his office
without saying anything...

Who would say
no after getting proposed
by a guy like that...
But still, why mezzz



T/N: Pelet/susuk is basically a traditional black magic, usually used to get a desired person to fall(in love) for the person who asked to use it.



Besides if I did use a Pelet, I would rather use it on someone like Shah Rukh Khan! Or someone who is really famous!

Well I guess you do have a point. Prince looking-secretary doesn't really have that much money, and he is just a civil servant too.

It looks like you both are busy right now, have you two eaten your lunch?

EH?

Not yet, why?

Ah, well, my friend Adimas told me to give you something..

Since lunch break had started, he hasn't seen you go out of this room

So he thought that he will buy some brownies for you, Adelia

You know yesterday, I was really surprised... Even though I've been his friend for quite a long time It seems he really likes you, I still couldn't believe that he just proposed you right away though.

E-h? I thought it was because of you, Meka! I thought you were trying to pair her up with him or something...

Hun!? Forget pairing people up, getting a girlfriend for myself is already hard as it is! Come to think of it, he did say it once in the past that, he will only look for partner if he has a stable enough income...

THAT'S NOT FAIR..
YOU MADE MY HEART WAVER SO EASILY..
THAT'S NOT FAIR AT ALL..

MEKA. THAT.
YOUR FRIEND OVER THERE, HOW DOES HE KNOW THAT I LIKE ONDO'S BROWNIES?
THAT'S SOME GOD-LEVEL STALKING...
HUH?
WAIT, ISN'T ONDO'S BROWNIES THE ONLY ONE AVAILABLE AROUND HERE?
